<p>1. AR Search and Rescue Operations.</p> <p>Regional approach? The presenter did a wonderful job especially the 5 min and 1 min slide show! Good – non-filtered basic presentation. Funny, helpful, true!</p>			1	10	10
<p>2. Weather Update</p> <p>New products? Interesting, applicable update info. Good! Am interested in the new forecasting bullet messages – hope they will be used by media and dispatch. Helpful – will sign up to chats – did not know this was available.</p>			3	4	15
<p>3. Intro to Exercise Planning/HSEEP</p> <p>A little dry. Great! It was too quick for novices to understand all capabilities of the HSEEP program.</p>		1	6	5	7
<p>4. Operation Smile – Table-Top Exercise</p> <p>Great Exercise – really enjoyed it.(said several times) The exercise is one of the best that I have been involved in – excellent job. Enjoyed the info about dairy farms, good to have Hiland Dairy and FBI there. Good interaction in groups. Eye-opening!!!</p>			2	7	15

5. H1N1 Update Good to hear from all states and that they have the Same challenges. Very timely! A little overwhelming! Would like a summary of the four states that were covered to send to state governors and state health depts..			2	7	11
6. State Communications Interoperability Update Too specific for regional issues. Impressed with ARK! Interesting – Seems like HAM radio is still the best. FAA regs recently make it “illegal” to use HAMS in drills and exercises!			5	7	5
7. Facility – The Radisson Hotel We need bigger coffee cups ☺ Good! Fabulous!			4	9	8
8. Overall evaluation of conference Great! Enjoyed it (said several times) Excellent – can’t wait until next year!			1	7	14

Comments:

- 1) Would like more subjects with shorter time on each one, i.e. WMD, Radiological, PIO, Hazmat, etc.
- 2) Maybe an opening and closing ceremony? More vendors, shorter presentations
- 3) Excellent interaction and discussions
- 4) Gained more of an understanding of ICS and Preparedness
- 5) Would like to see more Law Enforcement
- 6) Would like to see more than Table-top exercise – assign positions, carryout exercise using forms, planning, logistics, etc.;
- 7) Good group of participants;
- 8) Diverse program content worked well also.
