Comments

Food

- No flavor in dip and salsa
- Luke warm coffee
- would like to have hot tea in the morning
- Have cheese and crackers during hospitality
- More water and ice tea available

Vendors

- More vendors
- would like to see more vendors
- Hospitality and vendor always good
- would like to see more vendors

Facility

- Would like to consider a different location
- Conference next door too distracting
- Facility great again
- Difficult hearing presenter due to next door presentation
- Conference room too cold or too hot
- Friendly helpful staff
- New location- Hilton at the Landing
- Facility was comfortable and clean
- Facility --always a great hotel
- Got a little warm

Conference Information

- Record or have power point available
- LLIS informative but boring
- Loved the interaction between people during sessions
- Have 2 full days or full 1/2 day last day
- Overall good use of facilitators, speakers, presenters
- Thanks to Candy for all her hard work
- Thanks to Gary and staff for all you do
- first year at conference -good conference.
- Future of EM - interesting
- Make it two full days instead of staying over for two hours
- Weather update was too long and drawn out
- Jono's info was great - lots of good info and photos
